Born 16 March 2005

Based in Ho Chi Minh City

SKILLS

SEO

SEO copywriting, keyword research, on-page optimisation (meta tags, internal links), backlink building and WordPress admin.

GEO

Learning how to optimise content so it gets cited by ChatGPT, Google AI Overviews and Perplexity.

AI & Automation

ChatGPT, Claude and Claude Code for content; Magnific for upscaling and sharpening images; Seedance for video; n8n for automated workflows.

Web design & development

WordPress, Elementor, UI/UX, conversion landing pages, cart, checkout and chatbot integration.

Digital Advertising

Running Facebook, Google and TikTok Ads at a working level: campaign setup and budget management.

Content & Design

Design in Canva, video editing in CapCut, fanpage management and content calendars.

LANGUAGES

Vietnamese: native. English: conversational.

CAREER OBJECTIVE

Final-year Digital Marketing student who has completed a 3-month SEO internship at TIN Holdings.

Short term: Looking for an SEO/Digital Marketing role to run campaigns hands-on and apply AI to the content workflow.

Long term: Become a Digital Marketer who can deliver end to end: SEO, multi-channel advertising and e-commerce.

WORK EXPERIENCE

SEO Intern

22 May 2026 - 22 Aug 2026

TIN Holdings, Ho Chi Minh City (tinholdings.com)

- Wrote and published SEO articles of 1,000-1,200 words each, with 3-7 self-designed images following brand guidelines.
- Ran keyword research, built outlines and mapped content into tiers to shape the site structure.
- Optimised older articles: expanded content, rewrote meta tags, built internal links and resolved keyword cannibalisation.
- Built offpage backlinks: NAP-consistent profiles, forums, blog 2.0 and Google Sites across the satellite site network.
- Redesigned the website interface on WordPress, fixed display bugs and tested the mobile build.

Weekly targets: 7 new articles, 10 optimised articles and 100 backlinks

PROJECTS & ACADEMIC WORK

Digital Marketing Project (Leader)

10/2025 - 3/2026

- Built the overall plan, split the workload and tracked the team's progress.
- Designed and optimised a landing page for conversion advertising (UX/UI).
- Set up and optimised budgets on Facebook Ads, Google Ads and TikTok Ads; wrote multi-channel content.

Website Development Fundamentals (Leader)

10/2025 - 4/2026

- Managed hosting and domain, installed and configured WordPress.
- Designed e-commerce style UI/UX; integrated cart, checkout and order management.
- Integrated a 24/7 support chatbot; produced SEO articles and handled technical errors.

EDUCATION

Van Lang University

2023 - 2026

Marketing, Digital Marketing major

ACHIEVEMENTS

- **Grew a personal TikTok channel past 1,000 followers:** developed the ideas, filmed and edited, optimised to trends and learned how the short-video distribution algorithm works.
- **Shipped my own products with AI:** built this personal portfolio website and produced a meme video entirely with AI tools, from script to post-production.
